About Us:

Many academics claim investing is a random walk. We believe this to be partially true, but believe that value investing can outperform the market, hence the name ValueWalk.

If our mission statement had to be summed out in one line it would be - Providing a framework to improve your investing PROCESS, while providing newsworthy information about trends in the investing world.

ValueWalk.com was started in January 2010, with a focus on value investing and value investors. As the site has grown, the scope has expanded. ValueWalk is now a news site covering all breaking financial news with an emphasis on value investing, hedge funds, large asset managers, Tech news, Business news. The site contains archives of famous investors, and many investor resource pages.

The site is famous among the value investing community as one of the best sites for evergreen and new content. ValueWalk has gained popularity among all circles for its breaking stories on hedge funds, and investigative reports on investments by major funds. The website is read on a daily basis by senior level executives at the largest banks, hedge funds, asset managers and Fortune 500 companies.

ValueWalk regularly breaks stories regarding performance, personnel changes, and any significant events for large/famous hedge funds. The site has also broken major economic/business news. Some examples include the fact that Jacob Lew would be the next treasury secretary (September 2012), news that Mary Schapiro would resign as SEC chairwoman (October 2012), and the fact that DISH Network was actively looking for a large acquisition (July 2012).
The site receives 2.5M views a month, over 1M unique visitors, has Google Pr of 5, and an Alexa 15k. 40% of our audience make over $100k a year, and 22% make over 150K a year, 30% have graduate degrees. We get traffic from analysts at all the big banks, hedge funds (including CEOs at multi billion dollar hedge funds), PE firms, VC firms, corporations, HWNIs etc. The site has tens of thousands of subscribers via the newsletter, twitter, Facebook and other mediums.

ValueWalk has an exclusive partnership, whereby it syndicates certain content on TheStreet (the terms are confidential), and SeekingAlpha syndicates specific content. ValueWalk content can also be reposted through our partnership with iCopyright. Any other content distributed or posted elsewhere is illegal without written permission and subject to the terms in our legal disclaimer (contact info( @)valuewalk.com for information about reprints). However, brief quotations including attribution and a direct link to this site (www.ValueWalk.com) are authorized AND encouraged, as is sharing links via social media, email etc.

ValueWalk produces its own content and syndicates content through select partners, including Bloomberg TV, Royce Funds, Zacks, WisdomTree, Financial Post, Advisor Perspectives, UPI, ProPublica, Mauldin Economics, CFA Institute, Newsweek, among many others. ValueWalk is a proud partner with Opal Financial Group, which coordinates invitation only leading institutional investment and securitization events for asset managers (see the latest Opal Financial Group event at the bottom of this page).

ValueWalk also syndicates content from some of the top value investing blogs including, Base Hit Investing, Old School Value, CSInvesting, Fast Graphs, GreenBackd, among many others.

ValueWalk is considered an authoritative financial news source especially in the asset management industry, and is frequently cited as a source in industry research.

Stocks/markets move based on our coverage; another example, another example, another example, second toce last one, and one last one. These are just a few of dozens of cases where ValueWalk moved the markets.

ValueWalk's Facebook page is officially verified; what that means can be found here.

ValueWalk is considered one of the top 50 investing blogs by The Daily Reckoning. ValueWalk has been included in Bloomberg’s Terminal VIP Twitter list. ValueWalk has been named a must-follow for fundamental investors by Stocktwits, and a must-follow by Business Insider in 2012, 2013, and 2014. ValueWalk is listed as one of "The 22 best chart-heavy Twitter feeds you should follow—right this instant" by Quartz.

ValueWalk has been included in Bloomberg’s Terminal VIP Twitter list.

Regarding Bloomberg Terminal VIP list, NYMag states:

‘Being on Bloomberg’s VIP list isn’t just a meaningless status symbol. (Although it is that, too.) It’s tantamount to being able to broadcast your thoughts into every firm on Wall Street, and
each person on the list gets more than 300,000 silent followers, who may or may not be trading millions of dollars based on their 140-character musings.'

Title: Opal Exchange Monaco
Dates: Oct. 20-21, 2014
Venue: Fairmont Monte Carlo
Location: Monte Carlo, Monaco
Description: By using a sophisticated interface, Opal Exchange provides the platform to schedule private and purposeful meetings between Managers and like-minded Institutional and Private Wealth Investors. Opal Exchange creates an opportunity to develop connections with those who have similar investment goals.

How it works: Opal Exchange is by invitation only. After Opal confirms participation, attendees will fill out a unique investment profile which will assist in pairing participants. Using the surveyed information, Asset Gatherers and Allocators have the opportunity to request specific one-on-one meetings through the Opal Exchange messaging tool. While at the event, Asset Gatherers will have a private Meeting Room in which they will host up to 24 intimate meetings.
with potential allocators. Each exchange will last 25 minutes.
