Charlie Munger's Books: Recommended Reading List

Charlie Munger is most of the time in the shadow of his partner, Warren Buffett.

However Munger is one of the best investors of our time (you can see more on Munger's resource page). Munger is known to read quite a lot of books on varying topics.

Here are some quotes from Munger on the topic:

“We read a lot. I don't know anyone who’s wise who doesn’t read a lot. But that’s not enough: You have to have a temperament to grab ideas and do sensible things. Most people don’t grab the right ideas or don’t know what to do with them.” http://www.tilsonfunds.com/brkmtg04notes.doc

“In my whole life, I have known no wise people (over a broad subject matter area) who didn’t read all the time – none, zero. You’d be amazed at how much Warren reads – at how much I read. My children laugh at me. They think I’m a book with a couple of legs sticking out.”

“…by regularly reading business newspaper and magazines I am exposed to an enormous amount of material at the micro level.. I find that what I see going on there pretty much informs me about what’s happening at the macro level.”

Below are a list of 20 books recommended by Munger and three books about Charlie Munger. I have not read it, but have heard from many that Poor Charlie's Almanack: The Wit and Wisdom of Charles T. Munger is by far the best book on Munger.

**BOOKS RECOMMENDED BY CHARLIE MUNGER**

1. **Fiasco: The Inside Story of a Wall Street Trader** by Frank Partnoy
2. **Ice Age** by John & Mary Gribbin
3. **Deep Simplicity** by John Gribbin
