

LESSONS FROM THE TRENCHES: VALUE INVESTING, ENTREPRENEURSHIP & LIFE

JULY 23 - AUGUST 1

HOW TO LAUNCH & BUILD AN INVESTMENT FUND

AUGUST 2 - 4

From July 23 - August 1, Kase Learning will teach via live webinar the **Lessons from the Trenches** investing bootcamp, followed by a seminar on **How to Launch and Build an Investment Fund** from August 2 - 4.

Rather than the full days we teach when we're doing it in person, we're breaking the two programs into 12 modules – 9 for the bootcamp and 3 for the seminar – that we will teach in 2½-hour sessions that will take place live every day from 7:00 - 9:30am EST (no class Sunday, July 29).

WEBINAR BENEFITS

The webinar offers big advantages for participants:

- **No need to take time off of work:** The webinar is only 2½ hours/day and takes place before work hours for those in the U.S., Canada & Latin America, in the middle of the day in Europe, the Middle East and Africa, and after work hours in Asia (India, China, Singapore, Australia).
- **No need to travel:** Anyone, anywhere in the world, can take the webinar using a smartphone, tablet or computer
- **More affordable:** Participants won't incur any travel or hotels costs and, because we don't have to pay for renting a room, providing meals, etc., we're pricing the webinar at less than half of our normal tuition, with an especially big discount for early registrants

SCHEDULE

The webinar will be held daily 7:00 - 9:30am EST:

- **Lessons from the Trenches** investing bootcamp July 23 - August 1 (no class Sunday, July 29).
- **How to Launch and Build an Investment Fund** August 2 - 4

FREQUENTLY ASKED QUESTIONS

Will the curriculum you teach during the webinar (including guest speakers) be the same as your in-person seminars?

Yes, it will be identical. We've posted a detailed agenda for both the bootcamp and seminar here: www.tilsonfunds.com/KaseWebinar.pdf and additional background material on Kase Learning here: www.tilsonfunds.com/KaseLearning.pdf.

Won't I miss out on the in-person interactions with you and my fellow participants?

Yes and no. While we won't all be in the same room, each webinar session will be live, so participants will be able to ask questions via video, seen by all of the other students, just as if we were together.

In addition, as we do for every one of our programs, we'll compile a bio package and share it among the participants so they can connect with each other.

Finally, we're planning to launch the ***Kase Learning Network***, a two-day program that we'll host twice a year, to bring together everyone who's ever taken any of our programs for additional learning, networking, and small-group sessions. The first one will take place in NYC on Friday and Saturday, November 2 - 3.

What happens if I miss one or more sessions?

No problem – every session will be recorded and made available immediately afterward (only to participants on a password-protected site).

If I'm not part of the live program July 23 - August 4, can I watch the videos afterward?

Likely yes, but we haven't yet decided on the details or pricing.

If you have additional questions, please don't hesitate to contact us at info@kaselearning.com or (212) 265-4510.
